<p style="text-align: center;">Meeting the Standards Unit Resource Booklets Grades 6-12</p> <p><i>Every Meeting the Standards book provides a study guide to lead students through the unit, a practice test formatted to match a standardized test, vocabulary exercises, fact and comprehension based quizzes, and numerous activities designed to connect students with the selections and elements of literature.</i></p>	
Grade	The PDF worksheets for <i>Meeting the Standards</i> are available in four locations: Teacher Resource CD, E-Lesson Planner, mirrorsandwindows.com, and Print Resource Package. They are designed to be copied and manually completed, or can be completed online and submitted to the teacher electronically. They are not electronically scored.
<p style="text-align: center;">6-8 Eight Unit Booklets</p> <p style="text-align: center;">9-10 Six Unit Booklets</p>	<ul style="list-style-type: none"> • Unit Genre Study Guide, with Practice Test and Master Vocabulary List for in-depth study and practice on the genre and its literary element • Lessons for Guided and Directed Readings provides a range of activities that are rated easy, medium, and difficult; these ratings align with the Formative Survey questions in the Assessment Guide, enabling the teacher an option to differentiate instruction at the appropriate level for their students. A stepped out lesson for the first selection in each genre is provided to assist the student in learning how to read the genre introduced in the unit booklet. • Lessons for Comparing Literature Selections emphasize the text-to-text connections. Students are asked to compare literary elements such as author's purpose, characters, plot, setting, and theme. A selection quiz is provided for each selection to help students focus on the selections independently. • Lessons for Independent Readings build on the strategies and skills taught in the unit. Activities focus on vocabulary practice, literary analysis, and expanded writing instruction. Each lesson ends with a Describe and Critique activity, which helps students review and summarize the selection.
